CAREER SUMMARY

Frontend Developer with 4 years of experience building responsive, scalable, and high-performance web applications. Proven track record of improving application performance and enhancing user experience through optimized UI/UX, efficient APIs, and scalable architectures. Adept at collaborating with cross-functional teams, delivering projects on time, and applying best practices in accessibility, state management.

WORK EXPERIENCE

Frontend Developer

[De-Virtuosphere](#) 🔗

10/2024 – present
Remote

- Built and optimized user interfaces for NFC-based attendance solutions, enabling automated check-ins for businesses and educational institutions.
- Improved cross-device compatibility using responsive design and WCAG accessibility standards.
- Collaborated with backend developers and designers to deliver scalable, high-quality frontend solutions.

Software Engineer Intern

[Cowrywise](#) 🔗

07/2023 – 04/2024
Ikeja, GRA, Lagos

- Contributed to the Cowrywise web platform, enhancing user experience and accessibility for fintech solutions.
- Integrated APIs and implemented state management for seamless data flow.
- Assisted in debugging, troubleshooting, and code reviews to ensure application quality.

Frontend Developer Intern

[NetWalkerNG](#) 🔗

10/2022 – 02/2023
Remote

- Delivered multiple responsive UI components and web projects in a fast-paced, Agile environment.
- Collaborated with designers and developers to build scalable software solutions under strict deadlines.
- Gained hands-on experience with Git, Agile methodologies, and version control best practices.

Frontend Developer Intern

[HNGi](#)

04/2022 – 06/2022
Remote

- Built responsive user interfaces from Figma prototypes using modern JavaScript frameworks.
- Consumed backend APIs to connect frontend components with live database services.
- Worked closely with cross-functional agile teams to launch functional tech products under tight deadlines
